The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-374-1835 or visit us at http://www.nipponlifebenefits.com/member-service/tx-state-specific-requirements/. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.cciio.cms.gov or call 1-800-374-1835 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	Preferred Provider \$500 member/\$1,000 family; <u>Non-Preferred Provider</u> \$1,000 member/\$2,000 family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible?</u>	Yes. <u>Preferred Provider</u> services for <u>preventive</u> <u>care</u> , physician office visits, <u>urgent care</u> , LabCard, emergency room visits and <u>Preferred Provider</u> or <u>Non-Preferred Provider</u> services for non-specialty <u>prescription drugs</u> and child immunizations are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	Preferred Provider \$7,350 member/\$14,700 family; <u>Non-Preferred Provider</u> \$14,700 member/\$29,400 family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance-billing charges, health care this plan doesn't cover, penalties for failure to obtain pre-authorization for services and the difference between the Generic Drug price and the Preferred or Non-Preferred Brand Name Drug price when a generic equivalent drug is available.	Even though you pay these expenses, they don't count toward the <u>out–of–pocket</u> <u>limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See http://www.nipponlifebenefits.com/member- service/ or call 1-800-374-1835 for a list of	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network</u>

	preferred providers.	provider might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.
